## MESSAGE

Our most heartfelt congratulations to our completers and graduates of School Year 2018-2019!

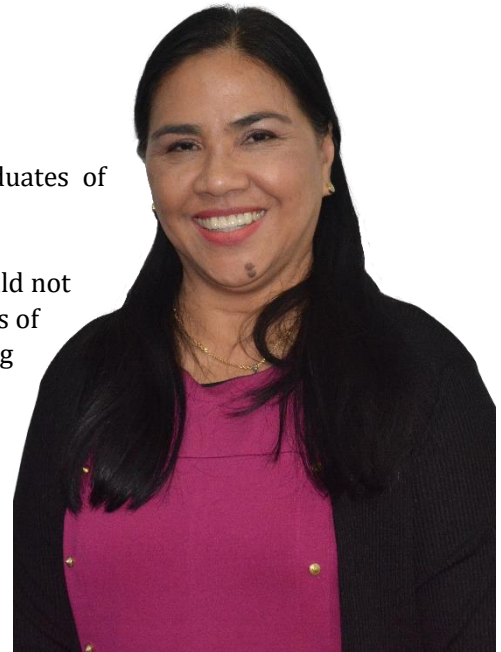

This celebration of success, whether moving-up or graduation, could not have been realized without your diligence and devotion as learners of the 21<sup>st</sup> century along with the loving guidance and unfaltering support of your parents, teachers, and other school and community stakeholders.

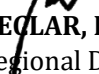

The cooperation and collaboration between and among these education stakeholders including you, our learners, paves the way for the attainment of quality, relevant, equitable, and engaging education for all regardless of differences in culture, beliefs, religion, and languages as reflected in this year's theme, "Unity in Diversity: Quality Education for All." This makes today all the more a joyous and wonderful triumph that shall remain in your hearts and minds as an enduring inspiration as you continue your journeys in life.

Your schools have provided the best avenue for you to build upon the concepts of diversity, rights, values and perceptions that are interrelated opportunities for you to learn more to broaden your horizons and become global citizens in this multi-dimensional and culturally diverse world. Hence, let the learnings and teachings your alma mater and community inscribed in you, be your anchor in facing new trials as well as in reaching new victories.

May the teachings of the Almighty, as well, be your armor and guidance as you thread on. And like what our forefathers have taught us - let your culture, values, and rights be your identity as you become part of nation building and become positive contributors of your families and communities.

Again, kudos to you graduates and completers as well as your parents, teachers, school administrators and community stakeholders. Congratulations! Mabuhay!

  
**MAY B. ECLAR, Ph.D., CESO V**  
Regional Director
