Dear Sec. Duterte

The **Philippine Academy of Physicians in School Health, Inc. (PAPSHI)**, a nationwide association of physicians with an advocacy for excellence in School Health, will be holding its **23rd Annual National Convention that would be held on May 22-23, 2023** at the **Century Park Hotel Manila**. The theme of the convention is **"Rising Up to the Challenge, Making Changes for Better Choices."**

As educational institutions open up to a period of transition from the pandemic to a gradual ascend to new normal, schools are faced with challenges and choices to adapt the best practices for an effective, responsible, and safe learning. Still, school health remains to be a key component of realizing the success of every student's educational journey. Thus, this convention aims to:

1. Highlight how learning institutions can promote and nurture the health and well being of the school community;
2. Present alternative modes of teaching health in the school communities; and
3. Empower school communities to become better and more competent educational institutions.

PAPSHI ANC is held every May and attended by physicians with special interest in *School Health, school health personnel and administrators of public and private educational institutions in the Philippines*. For the past three years, the academy has been holding the convention virtually due to the COVID-19 pandemic. This year, PAPSHI opens the event for face-to-face convening once again.

In this regard, we are humbly requesting a **cordial message with an attached portrait photograph** from your office for our upcoming convention which will be included as part of our souvenir program. Also, we would like to request for an **endorsement from DepEd (DepEd Memo)** for its delegates in participating in PAPSHI's 23rd Annual National Convention.

Please see attached program and invitation letter for delegates.

Kindly respond to this request on or before **February 28, 2023** through **papshi.23anc@gmail.com** or you may call **09396442355 / 09321752321 / 09162344430 (Dr. Ceralvo) or 09178629165 (Dr. Capili)**.

We are fervently hoping for a positive response from your office.

Thank you very much.

Sincerely,

Zaida Vanessa M. Maidom
