MEMORANDUM
DM-OUCI-2022-014

TO : REGIONAL DIRECTORS
Region I, II, III, IV-CALABARZON, CAR, and NCR

JOCELYN DR ANDAYA
Director IV, BCD

FROM : 
DIOSDADO M. SAN ANTONIO
Undersecretary

SUBJECT : Online Heads of Department Training of the Teaching and Learning STEM with Design Thinking

DATE : January 14, 2022

In the third quarter of 2019, a Memorandum of Understanding (MOU) was signed between the Department of Education, Temasek Foundation International (TFI), and Nanyang Polytechnic International (NYPi) of Singapore for capacity building on teaching and learning capability of selected Legislated Science High Schools (LSHS) and Science, Technology and Engineering (STE)-implementing schools. Specifically, the capacity-building programs involve one (1) Leaders Program for 25 participants comprising of DepEd Officials and senior staff, three (3) Heads of Department Program for 60 school heads and curriculum personnel, and four (4) Specialists Program for 80 lead specialists and teachers.

As per the MOU, the various training programs will be organized by Nanyang Polytechnic International in Singapore until 2021. However, the training programs scheduled last year were not conducted because of the restriction to travel brought by the threat to health and safety due to the COVID-19.

It was agreed in a meeting between this Office and NYPi officials that the Specialist and Heads of Department Training will be converted to online means. This is because all unconsumed grants from the Temasek Foundation will have to be returned and there is lack of flexibility to convert them to other types of categories of expenditure.
