SUBJECT: VIRTUAL SCHOOL-BASED FEEDING PROGRAM (SBFP) SUPPLY MAPPING WITH AGRI-COOPERATIVES FOR FY 2023

DATE: JUNE 8, 2023

One of the keys to a successful implementation of a program is partnerships and collaboration with stakeholders and key players. On June 1, 2023, a meeting was held among Cong. Filemon Espares, NATCCO Partylist, members of the Agri-Cooperatives, Asec. Dexter A. Galban and the BLSS-School Health Division (SHD) to discuss possible engagements to supply food commodities for SBFP. Furthermore, a letter from the Department of Agriculture (DA) Usec. Domingo F. Panganiban expresses the possibilities of supplying food products developed by farmer cooperatives and the Young Farmers Challenge (YFC) with also one vision to improve the nutritional status of the learners and help local farmers and cooperatives. Thus, this virtual activity was conceptualized.

The Bureau of Learner Support Services-School Health Division requests the participation of the SBFP Regional and Division Focal Persons and the Representatives of Agri-Cooperatives on the conduct of the **Virtual School-Based Feeding Program (SBFP) Supply Mapping for FY 2023** to be held on the following schedules via Microsoft Teams from 8:30 am to 4:00 pm:
