Ma'am:

I am writing on behalf of Headstart Information Technology and Consultancy Incorporated, and it is with great enthusiasm that we seek the cooperation and support of the DepED Region 02 Office for our upcoming initiative.

We are pleased to announce the Call for Voluntary Writers and Language Editors for our textbook development project, aimed at enhancing the quality of educational materials aligned with the standards set by the Department of Education. This initiative is in line with our commitment to contributing to the improvement of the educational landscape and fostering collaboration within the education sector.

We kindly request the issuance of an advisory from your office to inform and encourage potential participants, including public and private teachers, educators, and subject matter experts, to actively engage in this endeavor. The advisory would play a crucial role in disseminating information about the opportunity and reaching a wider audience within the education community.

We believe that the support of the DepED Region 02 Office will significantly contribute to the success of this project and further promote the development of high-quality educational resources. Interested applicants may send their applications via the QR code provided below.

We understand the importance of the DepED's role in fostering collaboration and ensuring the dissemination of valuable opportunities to educators and professionals. Your support in this matter would be highly appreciated.

Should you require any additional information or clarification, please do not hesitate to contact us at 078-373 0017 or email us at garethsaludares@hitc.ph. We look forward to your favorable response and cooperation in making this initiative a success. For some details of our existing books, you may view at <https://www.hitc.ph/publications.html>.

Thank you for your time and consideration.

Sincerely,

GARETH S. URBI
Chief Operations Officer
