LIKNAVAYAN 2024

The PHYSIKA, UP Applied Physics Society, a duly recognized academic organization of Applied Physics students at the University of the Philippines Los Baños (UPLB) which aims to promote academic excellence and encourage appreciation of Physics among the youth as well as to raise their scientific literacy skills will conduct LIKNAYAN 2024 at the UPLB.

In this regard, this Office requests all the Schools Division Offices (SDOs) to disseminate the said information to all schools who are interested of the activity. Participation on the said activity however is **personal and voluntary** and shall be subject to the no-disruption-of-classes policy stipulated in DepEd Order No. 9, s. 2005 titled "Instituting Measures to Increase Engaged Time-On-Task and Ensuring Compliance Therewith".

Attached is the Request for a DepEd Regional Advisory for the event.

TIME:

Dear Dr. Cariño,

Greetings!

PHYSIKA, UP Applied Physics Society is a duly recognized academic organization of Applied Physics students at the University of the Philippines Los Baños (UPLB), which aims to promote academic excellence and foster well-roundedness among its members. Among its advocacies are to encourage the appreciation of Physics and Applied Physics among the youth and to raise scientific literacy through conducting activities in line with the objectives of the university and nation.

Over the years, we have been recognized for organizing LIKNAYAN, an academic competition for high school students that aims to impart substantial knowledge in Physics and Applied Physics to its participants and emphasize the significance of these fields to our society. Committed to its advocacies, **PHYSIKA** relaunches **LIKNAVAYAN 2024** with the theme **"DUALITY: Exploring the World of Physics through Light"** on **April 13-14, 2024 at the University of the Philippines Los Baños**. Designed to give a fun and educational experience, the event will feature various sub-events including **Battle of the Brains, Feature Writing, Science Investigatory Project, Career Talk, Amazing Race, Poster Making, and Physics Communication.**

With this, we would like to request from your esteemed office the **recognition and dissemination of LIKNAYAN 2024**. Rest assured that this event will equip the participants the curiosity, appreciation, and knowledge in the fields of Physics and Applied Physics.

Attached to this letter are the general guidelines and the mechanics of each sub-event. Should you have any concerns or queries, we would be glad to respond to them through our email liknayan.physika@gmail.com or through our contact persons **Adriane Josh Real (09666989892)** or **Francis Lance Leal (09171774080)**. We are hoping for your favorable response. Thank you very much!

Respectfully,

Adriane Josh A. Real
