INTERNATIONAL WEBINAR-TRAINING IN MATHEMATICS

The Samahan ng mga Guro sa Intelektuwalisasyon ng Filipino (SAGIF) of Naga City, Camarines Sur will conduct an International Webinar-Training in Mathematics with the theme: "Reinventing Mathematics Education in the AI Era: Bridging Curriculum Updates and Addressing Learning Gaps for Future -Ready Learners" on June 21-23, 2024 via **Zoom Meeting**.

The following are the objectives of the webinar-workshop: (1) integrate the use of artificial intelligence (AI) tools in Mathematics classrooms, guided by ethical considerations and ensuring responsible use, (2) recalibrate teaching and learning activities align with curriculum changes (e.g., DepEd's Matatag Curriculum) and recent technological advancements, and (3) discuss and offer practical, sustainable solutions to address students' learning gaps in Mathematics.

Math teachers in basic education (elementary, JHS, SHS) are encouraged to participate with attendees earning 14 CPD units towards Professional Regulation Commission (PRC) license renewal.

Participation in said activity is **personal** and **voluntary** and shall be subject to the no-disruption of the 30-day break from June 1 to 30, which means teachers cannot be compelled to do work as stipulated in the Deped Order No. 003, s. 2024.

Attached is the invitation letter of the proponent, and or concerns regarding the event, kindly contact:

Department of Education
CAR

Director Cariño:

Greetings of peace!

The *Samahan ng mga Guro sa Intelektuwalisasyon ng Filipino (SAGIF)* of Naga City, Camarines Sur will conduct an **International Webinar-Training in Mathematics** with the theme "*Reinventing Mathematics Education in the AI Era: Bridging Curriculum Updates and Addressing Learning Gaps for Future-Ready Learners*" on June 21-23, 2024 via **Zoom Meeting**.

The following are the objectives of the webinar-workshop: (1) integrate the use of artificial intelligence (AI) tools in Mathematics classrooms, guided by ethical considerations and ensuring responsible use, (2) recalibrate teaching and learning activities to align with curriculum changes (e.g., DepEd's Matatag Curriculum) and recent technological advancements, and (3) discuss and offer practical, sustainable solutions to address students' learning gaps in Mathematics.

It has **14 CPD points** from the Professional Regulation Commission/PRC.

Our organization humbly seeks your permission to encourage **our fellow Math teachers in the basic education (elementary, JHS, SHS)** to be present in this significant event. May we please request an advisory, announcement, and/or memo regarding our webinar in Mathematics? It is one of the requirements for ranking and promotion as well. Furthermore, this is also needed to seek for a **travel advisory**.

We meekly ask for your positive response as we strive to promote quality education and, most importantly, strengthen the mathematics horizons and perspectives of Math Teachers. For other concerns and questions, please do not hesitate to reach us on this number **09399042269** or please send us an email in victoria@gbox.adnu.edu.ph or b_bical@yahoo.com.

Thank you very much!

Respectfully yours,

VASIL A. VICTORIA, PhD
