### INNOVATION CAMP FOR GRADE 5 STUDENTS

The Philippine Science High School is inviting interested students and teachers to participate in **their Innovation Camp for Grade 5 learners in the Cordillera Administrative Region (ICG5)**. The activity aims to provide Grade 5 learners hands-on learning experience on the Design Thinking Process. Participants to the activity are three grade 5 learners and one science teacher from the public elementary schools per division and two learners and one science teacher from the private elementary schools per division. The activity will be conducted at the PSHC-CARC, Purok 12, Irisan, Baguio City on June 24-28, 2024.

Interested participants should sign-up through the link: <https://forms.gle/kMcHLXHLGWAarRTqD7> until June 7, 2024. Slots are limited to 40 students and 16 teachers. The food and accommodation during the camp will be handled by the institution and the transportation will be reimbursed upon submission of original receipts.

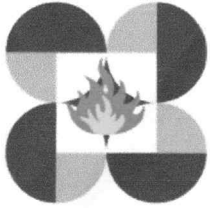

In this regard, this office requests all the Schools Division Offices (SDOs) to disseminate the said information to all schools. Participation on the said activity however is **personal and voluntary** and shall be subject to the no-disruption-of-classes policy stipulated in DepEd Order No. 9, s. 2005 titled "Instituting Measures to Increase Engaged Time-On-Task and Ensuring Compliance Therewith".

Attached is the Request for a DepEd Advisory on the program.

Regional Director

Department of Education – Cordillera Administrative Region  
La Trinidad, Benguet

Thru: **ASTERIO C. MADALLA**

Education Program Supervisor

Curriculum and Learning Management Division

Dear Dir. Carino,

I would like to extend a cordial invitation to the Department of Education - Cordillera Administrative Region (DepEd-CAR) to participate in our upcoming project, "**Innovation Camp for Grade 5 Students of Cordillera Administrative Region** also known as **ICG5**".

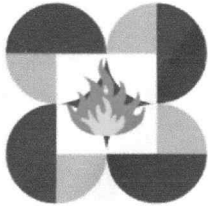

ICG5 is an innovation camp aimed at providing Grade 5 students of CAR with hands-on learning experience of the **Design Thinking Process (DTP)**. They would be housed in our dormitory for 5 days where they will undergo immersive workshops and interactive sessions in a class size ratio of 20 students: 1 trainer. At the end of the camp, the students are expected to produce rapid prototypes and to conduct pitches to "sell" their prototypes.

The innovation camp is also for the teachers that will accompany the students. The teachers will undergo the same DTP training, but designed for them specifically, in a separate break-out room.

The program of the camp is attached for your reference.

To ensure a diverse and inclusive experience, we are extending invitations to the following **per division**:

- **Three (3) Grade 5 students with one (1) accompanying teacher** from the **public** elementary schools within CAR
- **Two (2) Grade 5 students with one (1) accompanying teacher** from the **private** elementary schools within CAR

---

*Premier science high school education begins at DOST-PSHS*

---

**Note:** Students should have a **minimum average grade of 85% both in Science and Mathematics** for the **first to third quarter of SY 23-24**.

Our goal is to bring together participants from across the eight divisions of the region, fostering collaboration, exchange of ideas, and mutual learning.

ICG5 will be conducted **on June 24-28, 2024** here in **PSHS-CARC, Purok 12, Irisan, Baguio City**. The **food and accommodation during the camp** will be provided by our institution. The **transportation fare** from province to Baguio City and vice versa will be **reimbursed** by our institution **upon submission of ORIGINAL Official receipts and other pertinent documents** which will be provided.

Interested teachers with their students should sign-up through the link: [https://forms.gle/kMcHLXHLGWA\\_rTqD7](https://forms.gle/kMcHLXHLGWA_rTqD7) until **June 7, 2024**. **First (who is qualified) come, first served**. Slots are **limited to 40 students and 16 teachers** only.

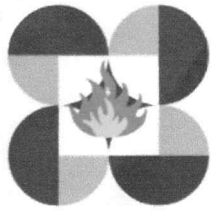

**Final participants will be notified through email or phone on or before June 17, 2024.**

If you have any questions, please contact us through Engr. Herodion B. Lagman II, our Project Technical Assistant, through [hblagman@carc.pshs.edu.ph](mailto:hblagman@carc.pshs.edu.ph) or 09687725392. Advisories about ICG5 is also found in our Facebook page: "Innovation Camp for Grade 5 Students- Cordillera Administrative Region".

Thank you for considering our invitation and we look forward to collaborating with you.

Warm regards,
