PNA seeks to form a strong alliance with concerned agencies to design initiatives that will ultimately address these concerns. Such is a manifestation of PNA's commitment in caring for the nurses of today that will be significant in safeguarding the future – one that has a strong and united nursing profession that will be responsible in promoting health, preventing, and managing disease, and in rehabilitating. In the celebration of PNA's **8th Summer Conference**, the International Council of Nurses' (ICN), "**Our Nurses. Our Future.
