REGIONAL MEMORANDUM
NO. 254.2024

49TH ANNUAL NATIONAL CONVENTION AND 3E XPO 2024

To: Assistant Regional Director
Schools Division Superintendent
All Division

1. The Institute of Integrated Electrical Engineers of the Philippines, Inc. is cordially inviting all Electrical Practitioners to attend the IIEE's 49th Annual National Convention and 3E XPO 2024 on November 25-30, 2024 to be held at SMX Convention Center, Pasay City.
2. The six-day event offers various activities designed to enhance the technical competencies of the delegates as well as to strengthen and to promote camaraderie among EE practitioners and our valued industry partners.
3. Likewise, the Annual National Convention provides for Continuing Professional Education (CPE) units which is among the requirements for the renewal of the Professional Regulation Commission (PRC) license.
4. Engineers associated with the Department of Education may opt to attend the activity. The use of DepEd funds shall be subject to the approval of their respective approving authorities. The same is also contingent upon its availability, and adherence to the usual accounting and auditing rules and regulations.
5. Wide dissemination of this memorandum.

SUBJECT : **INVITATION TO THE 49TH ANNUAL NATIONAL**
CONVENTION AND 3E XPO 2024

DATE : 16 April 2024

The **Institute of Integrated Electrical Engineers of the Philippines, Inc.** will conduct the 49th Annual National Convention and 3E Xpo 2024 on November 25-30, 2024.

This annual national convention is the much-awaited national event for EE practitioners which allows them to excel in their fields and prepare to take greater responsibilities amidst economic and industry challenges. Innovative development, greater opportunities for improvement and wider possibilities for professional growth will be brought right at the doorstep of our members. This annual convention is an opportunity to gather 50,000 IIEE active members practicing within and beyond the region.

Engineers associated with the Department of Education may opt to attend the said activity. The use of DepEd funds shall be subject to the approval of their respective approving authorities. The same is also contingent upon its availability, and adherence to the usual accounting and auditing rules and regulations.

Please see the attached communication from IIEEP for more details. Should there be further inquiries, kindly email the IIEP Secretariat through the email address ynmiraran@gmail.com or mobile number 0917-1341729.

Dear Hon. Duterte:

We cordially invite all Electrical Practitioners to attend the IIEE's 49th Annual National Convention and 3E Xpo 2024 on November 25, 2023 to November 30, 2024.

This annual national convention is the much-awaited national event for EE practitioners which allows them to excel in their fields and prepare to take greater responsibilities amidst economic and industry challenges. Innovative development, greater opportunities for improvement and wider possibilities for professional growth will be brought right at the doorstep of our members. This annual convention is an opportunity to gather 50,000 IIEE active members practicing within and beyond the region.

This year's theme, "IIEE @ 48: Moving Forward Collectively As We Pave the Way to the World of Opportunities and Digital Innovations," is the Institute's aspiration to promote and implement sustainable energy advocacies and initiatives to surpass professional and industry challenges here and abroad.

This six-day event offers various activities designed to enhance the technical competencies of the delegates as well as to strengthen and to promote camaraderie among EE practitioners and our valued industry partners.

Day 1 – November 25, 2024 (Monday) - Hybrid

PHILIPPINE ELECTRICAL CODE, ELECTRICAL STANDARDS

This is your chance to demonstrate your competency as a professional.

Be abreast with the latest development in PEC. Be informed of the electrical standards that are important in the practice of the EE profession.

Develop camaraderie among EE professionals through various sports activities.

Day 2 – November 26, 2024 (Tuesday) - Hybrid

ENERGY EFFICIENCY AND CONSERVATION, ELECTRICAL SAFETY, CAREERS IN THE MARITIME INDUSTRY

Delve into the future of the profession with visions of moving forward amidst the challenges that the academic sector is facing in this changing times.

Know the basics of safety as part of the IIEE's major advocacy and primary concern of the EE profession.

Have an opportunity to know what are the careers in store for you in the maritime industry.

Day 3 – November 27, 2024 (Wednesday) - Hybrid

EE RESEARCH CONTEST, EE RESEARCH COLLOQUIUM, TECHNOLOGY CARAVAN, PLANT TOUR

Be up-to-date in the latest technological innovation and researches developed by electrical practitioners.

Industry experts will present latest technologies, products, services and best practices that can be used by the electrical practitioners in his/her workplace. Be inspired with the latest tools, methods, opportunities and challenges of the next millennium.

Have the chance to visit Power Generating Plants in the country; ascertaining for the purpose that technology, procedures and even best practices are presented thereby providing clearer understanding and learning of all processes as applied in the plants visited.

DAY 4 – November 28, 2024 (Thursday) - Physical

OPENING CEREMONIES, SIMULTANEOUS TECHNICAL SESSIONS, PLENARY TECHNICAL SESSIONS, PRACTITIONERS' NIGHT

The start of the Convention Proper. Listen to our Guest Speaker who will provide some insights about the situation of the electrical industry and cap it off with a little excitement during the Practitioners' Night.

DepEd - Duterte.pdf; Memo-Circular-001 series of 2024.pdf;

Dear Hon. Duterte:

We cordially invite all Electrical Practitioners to attend the IIEE's 49th Annual National Convention and 3E Xpo 2024 on November 25, 2024 to November 30, 2024.

This annual national convention is the much-awaited national event for EE practitioners which allows them to excel in their fields and prepare to take greater responsibilities amidst economic and industry challenges. Innovative development, greater opportunities for improvement and wider possibilities for professional growth will be brought right at the doorstep of our members. This annual convention is an opportunity to gather 50,000 IIEE active members practicing within and beyond the region.

This year's theme, "***IIEE @ 49: Transformational Leadership Towards Sustainable Development and Global Recognition***," is the Institute's aspiration to promote and implement sustainable energy advocacies and initiatives to surpass professional and industry challenges here and abroad.

This six-day event offers various activities designed to enhance the technical competencies of the delegates as well as to strengthen and to promote camaraderie among EE practitioners and our valued industry partners.

Attached herewith are the following: invitation letter and memo circular.

Thank you so much.

Sincerely,

Yhella Miraran-Santos
