SUBJECT : **SUBMISSION OF THE WEEKLY REPORT ON THE LIST OF
PUBLIC AND PRIVATE SCHOOLS FOR THE PROGRESSIVE
EXPANSION OF THE LIMITED FACE-TO-FACE CLASSES**

DATE : February 24, 2022

Pursuant to the approval of the recommendation for the progressive expansion by the President last January 17, 2022, the DepEd has issued Office Order (OO-OSEC-2022-003) titled, "Interim Guidelines on the Expansion of Limited Face-to-Face Classes," which provides guidance on the mechanisms and standards on the safe resumption of the face-to-face classes in basic education, pending issuance of the revised Joint Memorandum Circular (JMC) of DepEd and DOH on the operational guidelines on the implementation of limited face-to-face learning modality, as well as the DepEd Order (DO) on the guidelines of implementation of the face-to-face classes.

In view thereof, the Regional Offices (ROs) are requested to submit, on a weekly basis, a report on the list of public and private schools in your respective regions for the progressive expansion phase of the limited face-to-face classes, for monitoring and reporting purposes.

In this undertaking, a framework has been developed to show the progression of the different levels of data sets that need to be generated by the regional offices (ROs). This is in response to the possible challenges that might hamper the inclusion of a school for the expansion of limited face-to-face classes, such as in securing the local government unit's (LGU's) concurrence.

The submission of the data from the ROs to the Central Office (CO) will be classified into the levels of data sets:

1. Nominated Schools

- Schools classified as nominated schools are schools which are considered *ready* to implement the limited face-to-face classes, and those which are either (1) **fully compliant with SSAT**, or (2) SSAT compliant but **with pending LGU concurrence**. In this regard, the ROs are advised to include both the aforementioned types of schools in their consolidated list.

2. Eligible Schools

- These refer to schools that are **fully compliant to SSAT**, have already **secured LGU concurrence**, and have been **authorized by the Regional Directors** to proceed with the implementation of the limited face-to-face classes at a certain schedule/date.

3. Participating Schools

- These refer to the schools that are **under Alert Level 1 and 2**, pursuant to the Alert Level System imposed by the Inter-Agency Task Force for Emerging Infectious Diseases (IATF).

In sum, the report to be submitted by the ROs shall contain the **consolidated list of all nominated and eligible public and private schools** in their respective areas of jurisdiction.

Additionally, the ROs shall be guided by the following:

1. The **weekly reporting and submission of the relevant information shall be submitted using the attached template on the list of qualified schools for the progressive expansion phase of limited face-to-face classes (Annex A)**, instructions and definition of terms are provided therein;
2. In accordance with OO-OSEC-2022-003, it shall be noted that the Regional Directors (RDs) are given the authority to assess, validate and select schools in their respective jurisdictions that will participate in the expanded limited face-to-face using the School Safety Assessment Tool (SSAT). Thus, the accountability on the submitted list of schools is also placed over the RDs;

3. All RDs are requested to **designate a *Person-in-Charge (PIC)* at the regional-level that will ensure timely and validated submission of all relevant information needed in the template;**
4. The *PICs* shall be available during the working hours, in case the assigned consolidators contact them for further data clarifications;
5. The cut-off period for the submission of the accomplished template will be **every Thursday of the week at 12:00 NN**. The **initial submission** of the weekly report will be **on or before March 3, 2022** (Thursday) at 12:00 NN. In case of a holiday, submission of report will be on the next working day;
6. Non-submission of the accomplished template within the said deadline would mean that there are no additional public and private schools in your region for the progressive expansion in that particular week. Thus, the latest submission of the region will be considered and included in the consolidation for reporting in the same week;
7. Submissions should be consolidated at the regional-level, verified and approved by the Regional Director. Individual submissions of division offices or schools will not be accepted and will be emailed back to the concerned Regional Office for their consolidation;
8. The aforesaid template can be accessed and edited real time through the Google Drive Folders per respective regions. See **Annex B** for the separate links for each region;
9. Regions will be given their respective links to their repositories which will contain (1) *Template for the List of Schools for the Progressive Expansion Phase of Limited Face-to-Face*; and (2) *Data Clarification* in excel files. Only the RD and PIC of each region shall be given the access to their respective Google Drive folder;
10. An offline report using the said template may also be submitted, in case of concerns on internet connectivity. The offline report must be submitted to Regional Operations Secretariat through usec.regops@deped.gov.ph;
11. Upon review and consolidation of the submissions, data concerns may be coordinated directly to the respective regional offices, through the Persons-In-Charge (PICs), for further clarification, if applicable; and
12. For documentation purposes, please submit the contact information (name, designation, email address and contact number) of the person-in-charge in the RO level using the prescribed template (**Annex C**). The accomplished template, approved and signed by the RD, shall be submitted on or before March 2, 2022, (Wednesday).

For further inquiries, please contact Ms. Bea Franchezka E. Yumang through bea.yumang@deped.gov.ph or Mr. Oscar D. Afos, Jr. through oscar.afos@deped.gov.ph.

For your compliance and appropriate action.

Thank you very much.
