46th Nutrition Month Campaign July 2020

To: Schools Division Superintendents
Heads Public and Private Elementary & Secondary Schools
All Others Concerned

1. This year's Nutrition Month Campaign is focused on catalyzing action to address child stunting with the theme "**Batang Pinoy, SANA ALL...Iwas stunting, SAMA ALL**". Filipino children should achieve their full growth potential with proper care and nutrition which focuses on the first 1000 days of life.
2. It calls for everyone to work together to be aware of the impact of stunting and to generate multi-sectoral solutions to scale –up nutrition commitments for increased investments in interventions.
3. The sub theme "**Iwas ALL din sa COVID 19**", is added considering the pandemic and the community quarantine still in effect. This is to remind every Filipino and ensure that nutrition plays an important role to improve resilience against disease and the long-term effects of malnutrition.
4. The 46th Nutrition Month Talking Points can be downloaded from the National Nutrition Council website- www.nnc.gov.ph.
5. For wide dissemination and compliance.
