No. ~~195-2016~~

To: Schools Division Superintendents
Chiefs/OICs of Divisions
Regional Office

From: For the Regional Director:

CORNELIA D. ADACI-DULNUAN
Supervising Administrative Officer
Administrative Division
Officer-in-Charge

JUL 18 2016

SUBJECT: **IMPLEMENTATION OF BRIGADA KALINISAN AND DENGUE PREVENTION CAMPAIGN**

Date: July 18, 2016

1. To respond to the increasing threat from dengue, all schools/offices will conduct activities/plans on prevention and control against dengue in order to protect the school populace and the community.
2. The dengue mosquito bites mainly during day time hours. They breed in containers near and inside our schools, homes and throughout our communities. Therefore, every individual has a key role in keeping the school surroundings clean to fight against dengue year round.
3. The following are suggested activities to be done regionwide to ensure school/office surroundings "larvae-free":
 - a. Information, Education and Campaign on the key messages of dengue prevention and control.
 - b. Distribution of posters and leaflets on Dengue Prevention to encourage everyone participate in taking action in dengue prevention.
 - c. Destroy mosquito breeding sites through the following:
 1. Cover all water containers tightly and turn it upside down other containers which can accumulate water when not in use.
 2. Change the water in flower vases once a week.
 3. Disposal of all used tin cans and other useless containers
 4. Water canals must be cleaned at all times.
 5. Dispose garbage properly and remove rubbish around school premises
 6. Regular cleaning of spaces under the tables, chairs and cabinets in the classrooms/offices
4. It is requested that the Health and Nutrition personnel will coordinate with the Department of Health, Regional Office and other Non-Government Offices for IEC materials and provision of insecticide Treated Nets/Screens for areas with high dengue incidence.
5. All Heads of Schools, teachers, non-teaching personnel, pupils and students are likewise instructed to seek early treatment or refer to proper authorities should there be signs and symptoms of dengue will occur and a close monitoring for those individuals affected with dengue.
6. A report on the number of dengue cases per school/division shall be included in the monthly accomplishment report and to be submitted to the Health and Nutrition Section, Education Support Services Division, Regional Office, Wangal, La Trinidad, Benguet.
