**SUBJECT:** ROUND-TABLE DISCUSSIONS ON LEAPS DISBURSEMENT-  
LINKED INDICATORS (DLIs) VERIFICATION RESEARCH

**DATE:** 21 September 2016

The Department is currently implementing the Learning, Equity and Accountability Program Support (LEAPS) Project, a budgetary support from the World Bank, which utilizes a results-based approach where disbursements are based on the achievement of pre-identified results known as Disbursement-Linked Indicators (DLIs).

As part of the Philippine government agreement with the Bank, the University of the Philippines- Assessment, Curriculum and Technology Research Center (ACTRC) was engaged by DepEd as an independent DLIs verification Agent (DVA) that will verify the achievement of nine selected DLIs.

To clarify DepEd commitment to Project LEAPS, including the roles and responsibilities of all concerned parties, one-day Round-Table Discussions (RTD) will be conducted in all LEAPS focus regions. Specifically, the RTD aim to: a) orient the participants on the objectives of the DLIs verification research, including data/information requirements and timelines; b) discuss the research protocols, methodology/sampling methods, and schedule of data-gathering activities of UP-ACTRC; and c) clarify the roles and responsibilities of the concerned parties, particularly UP-ACTRC as the DVA, concerned DepEd offices - central, region, and division in the conduct of the study.

Participants to this undertaking are: a) Regional Office: Officially designated Verification Research Coordinator of the region and Chiefs from either Policy Planning Division or Research & Quality Assurance Division; b) Division Office: Officially designated Verification Research Coordinator of the division and School Governance Operations Division Chief; c) staff from the Project Development Division under the Project Management Service as the focal unit in-charge of this verification research; and d) UP-ACTRC as the independent DVA.
