VOLUNTEER'S CREED

I believe the time for learning must continue,

And though treasures seem so few,

Putting efforts all together

Will erase worries and fears anew.

I believe that talents are a bounty,

Though mine may not be hefty.

The love in my heart is heavy,

Hands that are kept so busy.

For October 5 is coming nearly.

To the Cordilleran learners, I volunteer

My time, talent, and treasure

These come without measure

For the benefit of your future

My only wish and fervent desire

Is for you to learn well and be inspired

This oneness I hope will spread

To my co-volunteers I take heed

Let our faith and love keep lead.
